Employee Supplemental Life and AD&D Insurance and Dependent Life Premium Tables

Plan Holder: Summa Health

Scheduled Benefit: Each eligible employee may elect for himself/herself and/or his/her eligible spouse an amount of insurance shown in the table below.

For employees age 65 and older: Benefit amounts are reduced according to the age-based reduction chart shown in the Supplemental Life brochure. Reduced coverage amounts begin on January 1st of the policy year after you turn age 65.

Employee/Spouse Premiums: To find you and your spouse's premium: ■ Determine your age band: Your age = your age at your last birthday. ■ Select a benefit amount (employees age 65 and older: the rates in the 65-70+ age band columns already assume the reduced benefit amount per the Supplemental Life brochure)

- Spouse premium: Repeat the steps above for your spouse at your age at your last birthday.
- Employee and spouse rates change as insured moves from one age bracket to the next.
